GOLF COACHING ESCAPES

WEEKEND GOLF CLINICS IN THE SUN

Take your game to a new level

STACK AND TILT CLINIC & COACHING

Stack & Tilt is derived from scientific principals using everyday geometry, physics and biomechanics using a proven systematical template, which enables each player to master **THE THREE FUNDAMENTALS** of hitting great golf shots.

These principles are redefining how golf is taught and it is our goal to provide students with the necessary guidance in order to Improve their games faster than ever.

PUTTING BIOMECHANICS AND GREEN-READING

YOU WILL LEARN TO...

- Read every putt you will ever face on a putting green
- Master it and put it into play in minutes
- Deal with any slope and green speed
- Correct faults in your action which make you putt poorly
- Commit to a confident decision during play
- Read greens like the Tour Players
