The Jordan Gibb Club

Dear Friends,

I am happy to announce the forthcoming launch of the Jordan Gibb Club 2016. For those of you that know me, you will know that over the past few years I moved from a successful amateur career into the pro ranks. Since turning professional, I have progressed from the Alps Tour to the Challenge Tour and competed on the European Tour in Hong Kong where I made the cut. I have won various tournaments in Spain and am the current Order of Merit Champion for the Comunidad Valenciana and Murcia regions.

Competing as a Touring Professional offers wonderful opportunities. It is, however, an incredibly expensive endeavour. Without sponsors, many of the top stars you see on TV would have been forced to quit the game long before achieving their dreams. I have been fortunate enough to have the support of a few individuals to whom I owe a great deal of gratitude. Without them I would not have played alongside Rory McIlroy in Hong Kong or teed it up in Columbia, Kenya, Kazakhstan and all the wonderful places golf has taken me.

I believe that within all of us is a desire to help. We all support people as much as we can. Often though, what we are able to give seems insignificant. It would be asking a great deal of very few to try and fund a year's competition with the support of just a couple of people. Together though we can create something greater in which members are able to support a professional golfer in pursuing his goal of becoming a European Tour winner while also receiving other benefits. Because of this, I am excited to launch the Jordan Gibb Club.

I have 12 spaces available for Elite Members of the Jordan Gibb Club for 2016 at a price of €2500. Members in this special tier of support have a dramatic effect on my ability to plan my season, practice schedule and start to work without hindrance in the direction of my goals. This support and assurance cannot be under-estimated.

Elite members will receive special sponsor's gifts in recognition of their support including logo shirts, signed photo and regular newsletters. Elite Members will also have first option to compete with me in any overseas pro-am events in which I may compete.

Members will also receive a special JG Club Elite Member's weekend at La Finca Golf & Spa Resort. The weekend includes 3 nights in the 5 star Hotel with 2 rounds of golf, transfers and buggies. I will conduct group clinics and individual coaching to all that attend. This will be a fun and memorable trip for my biggest supporters at a fantastic resort in the Spanish sunshine.

In addition to these benefits, any Elite Member that wishes to purchase a corporate logo space (on clothes or bag) will receive a special heavily discounted rate. Thank you for your support and I look forward to a successful year for myself and all my Jordan Gibb Club members.

Yours Faithfully

Jordan Gibb
